3. Discussion Questions

- Why do you think integrity is so important? Why is it important for people to trust you?
- What happens if we're dishonest with someone a few times in a row? How does that affect what that person thinks of us and our relationship with them?
- When we choose to be dishonest, can we ever be sure our dishonesty won't affect anyone? Why or why not?
- How can choosing to be truthful affect our relationships with others?

4. Final Thoughts

God created us to be truthful and to trust others the same. When we are not truthful with our friends we are not able to stay connected deeply with them and create community like God calls us to do. We have to remember who God has created us to be. Remember **[Bottom Line] When you're not truthful, you lose trust.**

5. Pray

Pray together as a family.
