

## Media Booth

### Description

Several volunteers are needed at both the 9:00 and 10:30 worship services to oversee the technical production of the worship service. Volunteers man the cameras, sound board, light board, and computers for screen projection, direct the livestream and are scheduled through Planning Center on an as-available basis. Positions begin 10 minutes before the worship services and run until the end of worship. Volunteers in the media booth should be comfortable around technological equipment and be able to stay focused on all aspects of worship production.

### Current Information

Living Word has two worship services at 9:00 and 10:30 am and a full volunteer staff is needed at both! Attending the rehearsal Thursday's at 6:30 pm is not mandatory except for the audio station. All are welcome to attend worship rehearsals to practice at their stations!
