

Volunteer with LW Kids

Description

All volunteers with LW Kids are required to be Safe Gatherings certified. Volunteers provide teaching, guidance, safety, love and support for the kids that they interact with.

Current Information

Volunteers are needed as new program ministry takes shape. Currently we are looking for helpers in the nursery, LW Kids during Sunday morning worship services. Preschool substitutes teachers are needed for Sunday mornings this fall.

We're also recruiting families who can help host during Family Connection Time between services. This is an easy job that your whole family can help with. You can sign up for one week at a time to welcome families, and help lead the science activity.
